NOTE

Supervisors will fill in scheduled Announcers and Scheduled Monitors columns (Ann. column on original copy and Mon. column on duplicate copy) at 4:15 PM when making assignments. Original copy will be posted in Studios A-B; duplicate monitor's copy will go to console.

ANNOUNCER will sign his last name in signature column after completion of each item. MONITOR will do the same on his copy.

The time actual column will be filled in only when a discrepancy of two or more minutes from scheduled time has taken place. Any comments or notations will be starred and entered on the reverse side of this sheet. SUPERVISOR is responsible for the proper signing of the Yawn Club continuity for that day. DISTRIBUTION OF THIS LOG: The Supervisor will check both copies for accuracy and completeness at 11 PM and file in the Program Director's box with the duplicate copy of the evening's Supervisor's Report
